Terms of Reference

Sanctioning: giving official permission or approval for a Club/program/division to give CADS lessons (using CADS curriculum in their trainings)

Being Insured: A club/program/division/event/course is insured once the latter has completed the following:

1. Sanctioning documents have been completed and approved
2. All participants/volunteers/instructors have purchased an annual or 1-day membership

Sanctioned: CADS National has approved all the necessary documents required for the Club/Division/Event/Associate to become sanctioned.

Member: A Member is a person registered who has paid a yearly membership within the season for which the event of program is sanctioned or has purchased a day membership for the 1-day sanctioned event.

General Liability Insurance: The purpose of this insurance is to protect the member organizations of CADS (and their clubs and divisions) against the risk of sums they may become legally obligated to pay as the result of bodily injury and/or property damage caused through their sanctioned activities. Please note that it is the policy of CADS. If CADS has not formally sanctioned an activity, then that activity may not be covered by the CADS liability insurance.

Directors & Officers Liability: The purpose of this insurance is to protect the Directors, Officers, employees of a “WRONGFUL ACT”. This means any actual or alleged defamation, breach of duty, neglect, error, misstatement, misrepresentation, omission or other act done or attempted by any INSURED in the discharge of their duties solely in their capacity with the ENTITY or any matter claimed against them solely by reason of their status as an individual INSURED in their capacity with the ENTITY. This includes defense of employment practices and fiduciary liability claims.

Individuals that are NOT covered in the Insurance Bubble

Individuals that are covered in the Insurance Bubble

**** Organizations that have their own CGL insurance must ADD CADS to their policy as additional insured.**

Adaptive Programs & Ski Schools that are CADS *Sanctioned Associate Members*

But that are NOT covered in the CADS Insurance Bubble

Must submit letter to their insurer to add CADS as an additional insured to their policy and submit proof to CADS.

Since you are delivering and offering CADS Programs including our certification of instructors, volunteer training and delivery of our detailed training and certification curriculum we require that you have your CGL Insurer add CADS- Canadian Adaptive Snowsports as an additional insured to your CGL Policy in an amount of \$5,000,000.

The Verbiage added should be:

"Canadian Adaptive Snowsports aka CADS including their directors, officers, employees, volunteers, guides, instructors, representatives' successors, assigns and all those in law for whom they are responsible are added as Additional Insured's, in respect only to the operations of the named insured. This Additional insured status will be primary insurance over and above any other insurance carried by the Additional Insured's. Waiver of subrogation is provided for all of the foregoing Additional Insured's."
